## SUMMER JOB ANNOUNCEMENT

**TITLE:** Laboratory Aide, Seasonal (3 positions)

**SALARY:** \$7.60 per hour

**LOCATION:** Department of Environmental Services - FEV-Lab 1574 Lakeshore Boulevard

**SCHEDULE:** 40 hours per week - 5 days; will vary.

### JOB SUMMARY:

These seasonal positions are used to meet the lab monitoring needs for the Ontario Beach and West Nile Virus larval surveillance programs. Work includes sample handling, method following, results generation, calculations and results entry. Ability to follow oral and written instructions, to work cooperatively with others, follow technical directions and communicate effectively orally and in writing. Monroe County Department of Environmental Services will provide necessary safety training. Lab atmosphere will require safety glasses, lab coat and proper shoes. Glasses and coat provided by the Monroe County Department of Environmental Services.

### MINIMUM QUALIFICATIONS:

Graduation from high school or possession of an equivalency diploma; plus completion of two (2) years of college majoring in a natural science.

### SPECIAL REQUIREMENTS:

1. Depending on the position duties, candidates for employment with Monroe County Government will be required to pass a pre-employment drug test.
2. Possession of a valid license to operate a vehicle in NYS.
3. Positions require lifting of 25 to 30 pounds.
4. Must be at least 18 years of age or older.
5. Must be a Monroe County resident

**Send seasonal Applications to:** Monroe County Department of Human Resources  
39 W. Main Street - Room 210  
Rochester, NY 14614-1471

### Posting Deadline:

There is no posting deadline. Positions will be filled as qualified candidates are identified until all positions are filled.
